

WOW: facetious

WOW: facetious

facetious

adj.

Definition:

- joking or jesting
- meant to be humorous or funny
- treating serious issues with deliberately inappropriate humor

facetious

synonyms:

- flippant
- tongue-in-cheek
- ironic
- witty

antonyms:

- serious
- sober
- thoughtful
- sincere

facetious

"I was being facetious when I told my mother I want Brussels sprouts with every meal, but she took me seriously!"

facetious

If you stage a prank on your friend, making him run out into the street in his underwear because he thinks his house is on fire, calling the joke facetious will probably not go well for you.
