presume

"I presume you know the answer to the question, since you raised your hand," said the teacher.

presume

"I presume you know the answer to the question, since you raised your hand," said the teacher.

presume

Do **not** presume that you are allowed to help yourself to donuts just because I left them on the table!

presumed

In this country, a person is presumed innocent until proven guilty.

assume vs. presume

Careful! These words are similar, but there is a difference.

To assume is to suppose or believe something without any proof.

To presume is to accept something as true until you see proof that it isn't.
